CRAFTED FOR WALLS THAT SPEAK DESIGN

The 300x450 mm wall tile is a popular and versatile size that perfectly balances aesthetics with functionality. Ideal for both residential and commercial interiors, these tiles are especially suited for kitchens, bathrooms, and accent walls. Their rectangular shape allows for creative layout patterns such as vertical, horizontal, or staggered arrangements, adding depth and style to any space. These tiles are available in a wide range of designs—from glossy and matte finishes to textured, marble, floral, or digital prints—catering to both modern and traditional décor preferences. Easy to install and maintain, 300x450 wall tiles offer excellent durability, moisture resistance, and a refined finish that elevates the overall ambiance of interiors while ensuring long-lasting performance.

GEOMETRY MEETS GRANDEUR **BOLD IN SIZE, BIG ON STYLE**

Punch tiles are more than just tiles – they're sculpted impressions that bring surfaces to life. With bold textures and raised patterns, they create a dynamic play of light and shadow, turning ordinary walls into statement pieces. Designed to be felt as much as seen, punch tiles offer depth you can touch and design you can trust. From feature walls to commercial lobbies, they bring personality, power, and purpose to every space. Crafted to resist moisture, wear, and time, they're as practical as they are beautiful.
